

HELP HAYDEN HEAL Kids 1 Mile Fun Run/Walk

Hi, it's Hayden! We are going to be having a Kids Fun Run this year in efforts to reach the goal for my liver transplant. Since last year's 5K, I have been very lucky and had other surgeries to keep my body going while I am waiting. I'm trying to stay as strong and healthy as I can to do things that other kids do. Please come out this year and run for me. 100% of the proceeds go toward my transplant, medicine, and medical care.
